Pentecost marks the end and the goal of the Easter season, but we also need to observe Pentecost every day. "It will always be Pentecost in the Church," affirmed Blessed Oscar Romero, Archbishop of El Salvador, on Pentecost Sunday 1978, "provided the Church lets the beauty of the Holy Spirit shine forth from her countenance." Without the Spirit, the Church is a field of dry, dead bones. The Venerable Fulton J. Sheen once said about the Church, "Even though we are God's *chosen people*, we often behave more like God's *frozen people*--frozen in our prayer life, frozen in the way we relate with one another, frozen in the way we celebrate our Faith." Today is a great day to ask the Holy Spirit to rekindle in us the spirit of new life and enthusiasm, the fire of God's love. Let us repeat Blessed John Henry Cardinal Newman's favorite little prayer:

*"Come Holy Spirit
Make our ears to hear
Make our eyes to see
Make our mouths to speak
Make our hearts to seek
Make our hands to reach out
And touch the world with your love. AMEN."*

Crisis in Kenya & Tanzania a drought reaches critical level. Worsening drought conditions have reached crisis levels at several Chalice sponsor sites in Kenya and Tanzania. The Government of Kenya has declared a national drought emergency, with 23 of 47 counties affected. The number of people facing food insecurity has more than doubled - from 1.3 million to 2.7 million. Some 357,285 children and pregnant and lactating mothers are acutely malnourished. "Community members in Rikiau (Kangeta) currently have to walk 10 kilometres each way to fill jerry cans with water," explains Senior International Manager MaryAnne McKinnon. "The kids in school are lifeless, it's very sad. They're hungry and thirsty. The headmaster said that they haven't even hit the peak of the drought yet, so it's going to get worse." Food prices are on the rise across the region, and malnutrition is above the emergency threshold in several locations. In all sites, the short rains harvest in April and May is likely to be poor, even negligible. The Canadian government is matching famine relief funds for Kenya through June 30, 2017. Donate to the Chalice Disaster Relief Fund for Africa and make your donation stretch further! A donation of \$40 will provide enough maize, beans, oil, and powdered milk (and water in some cases) to feed a family. Immediate intervention will save lives! With your help Chalice hopes to feed 4,200 families. Go to <http://www.chalice.ca/>, or you can contact our office via e-mail: info@chalice.ca or phone: 1-800-267-2923.

Prayer for a Happy Death

O God, great and omnipotent judge of the living and the dead,
we are to appear before you after this short life to render an account of our works.
Give us the grace to prepare for our last hour by a devout and holy life,
and protect us against a sudden and unprovided death.
Let us remember our frailty and mortality,
that we may always live in the ways of your commandments.
Teach us to "watch and pray" (Lk 21:36),
that when your summons comes for our departure from this world,
we may go forth to meet you,
experience a merciful judgment,
and rejoice in everlasting happiness.
We ask this through Christ our Lord. Amen
